V. Katie Gilliam, The Gilliam Firm, PLLC, London, KY, for Petitioner.

DECISION ON JOINT STIPULATION¹

On May 5, 2020, Joshua Lige Kelly filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that he suffered a right shoulder injury related to vaccine administration (“SIRVA”), as defined on the Vaccine Table Injury, or, in the alternative, which was caused-in-fact by the Hepatitis A vaccine he received on December 10, 2018. Petition at 1, ¶¶ 2, 16; Stipulation, filed at May 25, 2022, ¶¶ 1-2, 4. Petitioner further alleges that he received the vaccine in the United States, that he suffered the residual effects of his SIRVA injury for more than six months, that he initially filed a civil action which was subsequently dismissed before this case was filed, and that neither he nor any other party has filed any additional civil action or received compensation for his SIRVA, alleged as vaccine caused. Petition at ¶¶ 2, 17-19; Stipulation at ¶¶ 3-5. “Respondent denies that [P]etitioner sustained a SIRVA Table injury; denies that the vaccine caused

Nevertheless, on May 25, 2022, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

1. A lump sum payment of **\$40,000.00** in the form of a check payable to Petitioner; and
2. A lump sum payment of **\$2,815.23**, representing reimbursement of a Medicaid lien for services rendered to Petitioner, in the form of a check payable jointly to Petitioner and Equian, and mailed to:

STIPULATION

The parties hereby stipulate to the following matters:

1. Joshua Lige Kelly ("petitioner"), filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of a hepatitis A vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a)
2. Petitioner received a hepatitis A vaccine on December 10, 2018.
3. The vaccine was administered within the United States.
4. Petitioner alleges that he sustained a shoulder injury related to vaccine administration ("SIRVA") within the time period set forth in the Table, or in the alternative, that his alleged shoulder injury was caused by the vaccine. He further alleges that he experienced the residual effects of this condition for more than six months.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his alleged injury.

6. Respondent denies that petitioner sustained a SIRVA Table injury; denies that the vaccine caused petitioner's alleged shoulder injury or any other injury; and denies that his current condition is a sequela of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

A. A lump sum of **\$40,000.00** in the form of a check payable to petitioner; and

B. A lump sum of **\$2,815.23**,¹ representing reimbursement of a Medicaid lien for services rendered to petitioner, in the form of a check payable jointly to petitioner and Equian:

Equian
PO Box 182643
Columbus, OH 43218
Case # 1056226

Petitioner agrees to endorse this check to Equian.

These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

¹ This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action Equian may have against any individual as a result of any Medicaid payments made to or on behalf of Joshua Lige Kelly as a result of his alleged vaccine-related injury suffered on or about December 10, 2018, under Title XIX of the Social Security Act, *see* 42 U.S.C. § 300aa-15(g), (h).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorney's fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity, and on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and

the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the hepatitis A vaccination administered on December 10, 2018, as alleged in a petition for vaccine compensation filed on or about May 5, 2020, in the United States Court of Federal Claims as petition No. 20-557V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the

items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the hepatitis A vaccine caused petitioner's alleged injury or any other injury or his current disabilities, or that petitioner suffered an injury contained in the Vaccine Injury Table.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION

Respectfully submitted,

PETITIONER:

JOSHUA LIGE KELLY
